Comments**Course Content and Organization**

- 1 The course content and organization was good, except it ended on online classes, which was sort of disruptive.
- 2 Course was well-organized with manageable workload.
- 3 Good

Assignment, Quizzes Evaluation

- 4 very strict with deadlines and stuff. I guess that's a good thing, maybe.
- 5 Good

Instructor's quality of delivery of lectures and classroom learning environment

- 6 Sir taught really well
- 7 Sir has great knowledge in the subject and has great concepts too, however the bug-barrier was that he focused more on a few students rather than the majority. He has this taunting aura which led to disappointment and discomfort. Also, he did not breakdown the problem for better understanding. If one student gets the point, he moved ahead not caring about the rest.
On the positive side he did make us familiar to the upcoming life obstacles which I appreciate.
- 8 yeah overall environment was good.

Learning Material (Textbook, References Books, Videos etc)

- 9 pretty fair.
